

Q012LTSDAR010

Fiber OSP cable, armored, HDPE, 12-fiber, Singlemode G.652.D, loose tube, Feet jacket marking, Black jacket color

OBSOLETE

This product was discontinued on: June 21, 2021

Product Classification

Regional Availability	Asia
Product Type	Fiber OSP cable
Product Series	Q-LT

General Specifications

Armor Type	Electrolytic chrome-coated steel (ECCS) tape
Cable Type	Loose tube
Subunit Type	Gel-free
Jacket Color	Black
Jacket Marking	Feet
Strength Members	Central fiber reinforced polymer (FRP) rod
Fibers per Subunit, quantity	12
Total Fiber Count	12

Material Specifications

Jacket Material	High density polyethylene (HDPE)
------------------------	----------------------------------

Mechanical Specifications

Flex	25 cycles
-------------	-----------

Optical Specifications

Q012LTSDAR010

Fiber Type OS2

Optical Specifications, Wavelength Specific

Standards Compliance TIA-492CAAB (OS2)
