Product Classification

Regional Availability	Australia/New Zealand | EMEA | Latin America | North America
Product Type	Frame
Product Series	Q Frame

General Specifications

Access	Front | Rear
Color	Black
Growth Configuration	Unloaded

Dimensions

Height	2132 mm | 83.937 in
Width	1034 mm | 40.709 in
Depth	608 mm | 23.937 in

Material Specifications

Finish	Powder coated
Material Type	Steel

Environmental Specifications

Operating Temperature	-10 °C to +60 °C (+14 °F to +140 °F)
Relative Humidity	5%–95%, non-condensing
Environmental Space	Indoor

COMMSCOPE®

Q-OFX-V

Packaging and Weights

Included	Cable management
Packaging quantity	1
Packaging Type	Crate | Pallet
