

554188-1

Undercarpet Circuit Adapter, 5-Conductor, standard ground system, blue circuit

- Used with 5-conductor DCR kits to select which circuit is utilized
- Required for 5-conductor undercarpet power cable installations

OBSOLETE

This product was discontinued on: December 31, 2022

Product Classification

Regional Availability	North America
Product Type	Circuit adapter
Product Series	Undercarpet

General Specifications

Grounding Connection	Standard
-----------------------------	----------

Dimensions

Height	9.5 mm 0.374 in
Width	134.11 mm 5.28 in

Electrical Specifications

Current Rating, maximum	20 A
Signal Configuration	Power
Voltage Rating, maximum	300 Vac

Environmental Specifications

Environmental Space	Indoor
Safety Standard	UL

Packaging and Weights

Packaging quantity 1

Regulatory Compliance/Certifications

Agency	Classification
CHINA-ROHS	Below maximum concentration value
REACH-SVHC	Compliant as per SVHC revision on www.commscope.com/ProductCompliance
