Model Version 00 Status RE Rev A

Andrew Institute offers installation training.

Description

ETSI rack bracket kit, MT050C/MT500D

Notice

The installation, maintenance or removal of dehydrator systems requires qualified, experienced personnel. Commscope installation instructions have been written for such personnel. Dehydrator systems should be inspected once a year by qualified personnel to verify proper installation, maintenance, and condition of equipment.

Commscope disclaims any liability or responsibility for the results of improper or unsafe installation practices.
