

MTC4037AL

8'x8' C6 Equipment Platform with (4) AL Feet

Product Classification

Product Type Equipment platform system

General Specifications

Legs, quantity 4

Dimensions

Height 490.22 mm | 19.3 in

Width 2,438.4 mm | 96 in

Length 2,438.4 mm | 96 in

Material Specifications

Material Type Hot dip galvanized steel

Packaging and Weights

Included Frame | Grating | Hardware | Legs

Packaging quantity 1

Weight, net 446.3 kg | 983.922 lb

Regulatory Compliance/Certifications

Agency

ISO 9001:2015

Classification

Designed, manufactured and/or distributed under this quality management system
