

MTC79020608B4AL

Equipment Platform, 6 ft x 8 ft, base with four adjustable legs

OBSOLETE

Product Classification

Product Type Equipment platform system

General Specifications

Legs, quantity 4

Dimensions

Height 762 mm | 30 in

Width 1,828.8 mm | 72 in

Length 2,438.4 mm | 96 in

Material Specifications

Material Type Hot dip galvanized steel

Packaging and Weights

Included Frame | Grating | Hardware | Legs

Packaging quantity 1

Weight, net 567 kg | 1,250.02 lb

Regulatory Compliance/Certifications

Agency

ISO 9001:2015

Classification

Designed, manufactured and/or distributed under this quality management system

Included Products

EQ-P-AL – Equipment Platform Adjustable Leg
